## SUMMARY

4 years of software development experience, specializing in web development. Demonstrated success in enhancing classroom dynamics and improving student comprehension through effective assistance. Detail-oriented, hard-working, and strong collaboration skills. Focus on optimizing system efficiency, scalability, and user experience.

## SKILLS

- **Frameworks:** NodeJS, ReactJS, Deno, Svelte, Spring Boot, Flutter
- **Database:** MongoDB, AWS, PostgreSQL
- **Programming languages:** JavaScript, Python, Scala, Rust, Java, C
- **Version control:** Git
- **Methodology:** Agile, Pomodoro
- Problem solving
- Attention to detail
- Adaptability and flexibility

## EXPERIENCE

Teaching Assistant, Aalto University, August 2022-Current

Espoo

- I have worked for courses such as Web Software Development, Designing and Building Scalable Web Applications, Rust, and Artificial Intelligence, with more than **1,000** participants in total.
- Provided one-on-one support to students requiring assistance with environment setup, project structure, terminologies, deadlines, and debugging through Slack, Zoom, Zulip, and in person.
- Grading assignments and assisting with projects daily, with a focus on Deno, Hono, Deno KV, PostgreSQL, Svelte, Playwright, and Docker.
- Maintaining and developing the courses for bachelor's and master's students, keeping the students up to date with new versions of packages and technologies.
- Contributed to a positive, educational setting by delivering gentle discipline, and promoting student success.

Student Representative, Aalto University, January 2024-May 2024

Espoo

- Assisting in the selection of lecturers for the School of Language.
- I attended demo teaching and gave the students' perspective on the lecturers' teaching methods, debated for the students' benefits and contributed to the Board.

EDUCATION

Bachelor of Science  
Quantum Technology, Aalto University, Espoo, Expected in December 2025

Bachelor of Engineering  
Control And Automation, University of Technology, Ho Chi Minh, June 2021

High School Diploma  
Tien Giang Highschool For The Gifted, Tien Giang, June 2018

ACCOMPLISHMENTS

- Dean's List top-performing students in 2022
- Aalto 100% tuition fee waiver
- Top 1 Knowledge Quizzes in High School 2017

RELEVANT STUDY COMPLETED

- Data Structures & Algorithms, Software Architecture
- Artificial Intelligence, Machine Learning, Big Data
- Information Security, Human-Computer Interaction
- Industrial Engineering and Management

LANGUAGES

**Vietnamese:** First Language

**English:** C2  
Proficient (C2)

**French:** B1  
Intermediate (B1)

**Finnish:** A2  
Elementary (A2)

HOBBIES

- Sports (football, badminton, gym, swimming)
- Books (crimes, fantasy fiction, sci-fi)
- Cooking (Asian food)
